## ***Anya Rubin Biography***

Born in St. Petersburg, Russia, Anya emigrated with her family at a young age, first moving to Israel and then Germany before finally settling in New York in the mid-'70s, where she has lived ever since. Working in oil and digital rendering, Anya reflects upon the social, political, and spiritual conditions of contemporary culture, capturing the essence of a reality where everything is interconnected, and information is available at the same moment as an event occurs.
